\$3.00 YEARLY—7c PER COPY

THE COMMUNITY SWIMMING POOL FUND is larger today by \$15.50 through the efforts of the girls pictured above, their friends and assistants. They staged a magic show Tuesday in City Park and turned over the money, all in nickels, dimes and pennies, in a muffin tin, to Dave Allen, treasurer of the Swimming Pool association. Pictured, left to right: Kay Keith, Susan Maloney, Louise Lauder and Karen Morris. Lemonade sold at the show was donated by the City School P-TA, paper cups were donated by Royal Drug, Hartman's, Garland's and Reese's. Susan and Louise were the "magicians." Also assisting them were Pat Nixon and Pat Keith, Mrs. J. W. Lauder, Mrs. W. W. Maloney and Mrs. Herbert Haymaker. More than 150 youngsters and grown-ups attended. Special prizes were a magic trick, a kitten, a stick of bubble gum and a candy bar. Roess's Market also assisted with a donation.

Around the Square

Florence Nielsen and her husband, Thomas K., discovered the other day that milk toast can be a luncheon dish "fit for a queen," this being a direct result of Mrs. Nielsen having her picture taken.

It's like this. Photographer for a metropolitan daily has been taking pictures of Los Angeles area queens for his paper's mid-winter edition. Mrs. Nielsen, queen of the Foothill Community Fair in June, was on his list.

What with her duties as executive secretary to the City School superintendent, a vacation trip and one thing and another Mrs. Nielsen had been elusive. But she finally budgeted a few minutes of her lunch hour the other day. Didn't turn out to be the speedy project she expected.

The fotog wanted "something domestic" so Mrs. Nielsen, who eschews aprons altogether, first had to hunt up, not just any apron, but a voluminous Fannie Farmer type one. That accomplished, he wanted her presiding at the range ladling what must appear to be a gourmet sauce or savory chowder. Mrs. N. quickly poured a quart of milk into a double boiler, fluffed out her apron, smiled big and... flash!

It all took time, the lunch hour had flown and still no meal planned. She fretted about this as she hurried back to the kitchen after showing the fotog to the door, to find that her husband had whipped up some toast, poured out the near-scalded milk and, presto, lunch!

A Valley newspaper has on its staff a Bill Sunday and Catherine Mundy. We're waiting to hear, "Friday speaking."

Mrs. Mary Gay, 78 S. Hermosa, has subscribed to the News for 42 years. Her sight is failing so she can't read much any more but rather than relinquish her subscription entirely she has transferred it to her gardener, George Shimizu, 204 N. Grove.

One of the Troop 5 Boy Scouts now back from camping at Yosemite with Scoutmaster William Spargur, almost missed taking-off with the troop the morning they left town.

It seemed like a mighty early hour when his mother awakened him, then left him to his preparations while she started his breakfast. After quite a lapse of time his mother went back to investigate the delay, having also heard exasperated mutterings.

Seems her A-Boy-Scout-is-Always-Awake son, fogged with sleep, was stubbornly struggling into a strangely large Scout uniform which turned out to be his dad's, not his.

How can a fella be real sharp at THAT early hour?

Vandals Smash TV Antenna

★ ★ ★ ★ ★
Estimate Damage to Master System at \$150

Meyer TV, local television sales and service company, reported to the sheriff's office Tuesday morning that during the night vandals had smashed and completely demolished the company's master antenna system located 6200 feet up a mountain side east of Mount Wilson.

Service for the company's 49 tie-in "subscribers" was disrupted for about six hours Tuesday while three repair men worked to remedy damage to the 15-foot high antenna estimated at about \$150.

The master antenna system was installed early in June and was covered by a United States Forest Service permit. Lines to homes of individual subscribers, in those instances in which lines cross a street, likewise are covered by city permits, according to the Meyer TV spokesman.

Meyer TV says their master antenna set-up is the longest such antenna system without electricity in the world and is the 24th Teleplex system working successfully in Southern California, they add.

The damage to the antenna was discovered early Tuesday morning after reports had been received of poor reception the night before. There have been other incidents of "sabotage" to the Meyer equipment and on two occasions rocks were thrown through the shop window.

Sight Project Holds Interest Of Lions Club

White Cane Day Set for Sept. 19

The Lions Club will devote its regular meeting tonight to making further plans for the observance of White Cane Days Sept. 18 and 19.

From funds raised in past years on local White Cane Day sales the Lions Club presented to the school a Green test and eye-screening device.

Of this equipment School Supt. Charles A. Skutt said recently:

Praised by Skutt

"The machine has been in almost daily use ever since. The Lions have the school's keenest appreciation for the beneficial work which the device has performed in bringing to light eye defects, especially near-sightedness, in elementary school children."

The multiple purpose of the Lions' nation-wide White Cane Day sale is for aid to the blind, and prevention of blindness by early determination and possible correction of sight defects.

KIWANIS HEARS TALK BY BASEBALL UMPIRE

Mont Heard of Pomona, professional baseball umpire, was the guest speaker Tuesday at a luncheon-meeting of the Kiwanis Club. He told members of his experiences in that field, having umpired in the Wisconsin State League and the American Ass'n before coming to the Pacific Coast League in 1946.

Visitors at the Kiwanis meeting were Ed Hallwood and George Shirk of Altadena, George Pike of El Monte, F. D. Roe and Howard McCaughan of Monrovia, Ed Wells of Pasadena, and Rollin Woodworth and Hugh Warden of Sierra Madre.

NEWS Greet New Owners This Week

Sale to Jenkinsons Effective on Sept. 1st

The Sierra Madre NEWS, which will celebrate its 50th anniversary in 1955, passed into new ownership this week with the signing of final papers Monday between Clifford C. Ward, who in 1951 succeeded his mother as owner-publisher, and Edgar W. and Virginia Jenkinson, the new owners and publishers.

The close association with a weekly newspaper and printing business which only ownership can provide fulfills a long-cherished wish of the Jenkinsons who, between them have had a wide experience in business, publishing and editorial fields.

The Jenkinsons had resided in New York City for the past two years. Prior to that period Mr. Jenkinson had practiced for seven years in Lancaster, Calif., as a licensed tax consultant and accountant and was prominent in civic affairs.

Friends of Library Hold First Meeting

R. D. Andrews Is Chairman Pro Tem

Raymond D. Andrews has been elected temporary chairman of the founders committee of a Friends of the Library Association to be formed in Sierra Madre. Den Strite, interested local resident, residence of Mrs. Ben Strite, interested local residents also named Mrs. Strite as the organization's secretary pro tem.

Miss Pritchard Named
Miss Martha Pritchard was appointed by the chairman to head a committee of five to draw up a constitution and by-laws. Mrs. T. M. R. Parker was appointed publicity chairman.

Next meeting of the founders group will be held Oct. 1 at the Raymond Andrews home when other temporary working committees will be formed. In attendance at the August meeting were: Mr. and Mrs. C. W. Jones, Mr. and Mrs. George B. Morridge, Mr. and Mrs. John J. Fetters, Mr. and Mrs. Robert Dodge, Mrs. Hazel Morley, Miss Pritchard, Mr. and Mrs. Andrews and Mrs. Strite.

Local Masons To Honor Past Masters

Past Masters of Sierra Madre Lodge No. 408, Free and Accepted Masons, will be honored the night of Sept. 15 in Masonic Temple at a dinner preceding the conferring of a third degree on a candidate.

The dinner will be prepared and served by members of the Social Club of the Order of Eastern Star. The committee, headed by Mrs. Elvin Beard, worthy matron, includes Mrs. James Moore, Mrs. William E. Bowers and Mrs. Fred Williams.

Among past masters to be honored are Harold F. Roberts, Judge John C. Mead, George B. Morridge, Boyd E. Keith, Thomas C. Pollgreen, Thomas M. Schwartz, Charles E. Louk, Converse L. Twycross, John W. Adams, John Buchanan, Henry J. Nord and Henry Rintleman.

Band Director Resigns

Activities to Continue, Sponsors Say

The resignation of Marie Oliva as director of the 50-member Sierra Madre Concert Band and plans for the continuation of the band's activities were announced this week by the sponsoring City Recreation Commission and the reorganized band committee.

Edward J. Lupiani, member of the band and music director in Baldwin Park schools, will conduct rehearsals until the selection of a successor to Miss Oliva who will devote more of her time to teaching in Arcadia and direction of her dance band.

Accepted Regretfully

Miss Oliva's resignation was accepted "with regret" Monday

night at a joint meeting of the Recreation Commission and the band committee, according to Stanley Coutant, new chairman of the latter. Ralph M. Welch is chairman of the Recreation Commission.

The enlarged Band committee headed by Coutant, now includes: Charles A. Skutt, City school superintendent; Al Masbarbour, finance chairman; Dan Waters, band representative and Mrs. Stanley Coutant, press chairman. Recreation Commission Chairman Welch and City Recreation Director Philip T. Mitchell, also attend band committee meetings.

GOP Plans Rally Here For Hiestand

The Sierra Madre Republican Club, of which Harold F. Roberts is president, has made tentative plans for a picnic-reception Sept. 23 in City Park at which Congressman and Mrs. Edgar ("Eck") Hiestand will be guests of honor.

Joining in sponsoring the "Welcome Hiestand" event will be members of the Sierra Madre Young Republicans Club of which William M. Hawkins is president.

Approximately 35 Sierra Madre Republicans and guests attended a similar event Aug. 30 in La Crescenta honoring the congressman.

EDGAR W. AND VIRGINIA JENKINSON, above, formerly of Lancaster, Calif., are now the owners and publishers of the Sierra Madre NEWS succeeding Mary Toms Ward and Clifford C. ("Pete") Ward, pictured at the right.

The NEWS, formerly the VISTA, has served Sierra Madre readers and advertisers since 1888. The paper will mark its 50th anniversary as THE NEWS in 1955.

KIWANIS, LADIES MEET TONIGHT IN YOUTH HUT

Directors, committee chairmen and members of the Kiwanis Club and their ladies have been invited to attend a gathering at 8 o'clock tonight in the Youth Hut.

The directors and committee chairmen will hold a meeting and the others will play cards.

New Director At Anoakia

Mrs. Paul Bowerman of Sierra Madre has been appointed director of Anoakia school succeeding Miss Alma J. Wylie whose resignation was accepted recently by the trustees.

Mrs. Bowerman, whose home is at 707 Auburn, has been head of the English department at Anoakia. She has the degrees of B.A. and M.Ed. from Mills college. For 10 years Mrs. Bowerman was head of the English department at the Marlborough

School for Girls and for six years lectured in English language and literature at the University of Southern California.

Mr. Bowerman is associate professor of Modern Languages at the California Institute of Technology.

New Head Resident

Another new appointee at Anoakia is Mrs. Madeline Edgerly Rupp of Pasadena who will be Head Resident. She is a graduate of the Conservatory of Music at Denison University in Granville, Ohio, and from 1944-50 she was Head Resident of the girls' dormitory at Denison. Mrs. Rupp will be in complete charge of dormitory living and its activities. She plans to extend the program of resident activities to include a greater degree of planned recreation and informal entertaining.

Mrs. Winnifred Howland Johnson, principal of Anoakia school for the past 23 years will return to her duties when school resumes in September. She has been principal of Anoakia school since its organization in 1930 as the Flintridge School for Girls.

City Planners Study Three New Subdivisions

Revised Tilly Plans Are Viewed Favorably

Over continuing strong protests of neighboring property owners on Orange Grove, Jack J. Tilly's revised plans for subdividing the Washburn Nursery property on E. Sierra Madre Blvd. were approved, with some further stipulations, by the City Planning Commission at a meeting Thursday.

Presentation to the City council will be subject to filing of the final plans before the Planning Commission.

After an earlier presentation of the subdivision plans, a special planning consultant was called in by the Planning Commission, according to William E. Bowers, Commission chairman. As a result of this consultation Tilly was asked to enlarge the size of some of the outside lots and make other modifications. These revisions were approved at the Aug. 27 meeting of the Commission.

Street conditions will govern the subsequent approval by the other proposed subdivisions. One is property on Fairview owned by Mrs. Robert Wright and the other comprises 10 lots, a portion of the Hoover property fronting on N. Michillinda and owned by C. O. Wallis. Both are looked upon favorably by the Commission but not finally approved, according to Bowers.

On the agenda at the next Planning Commission meeting Sept. 24 will be further consideration of a variance asked for property at Alegria and Baldwin owned by Mrs. Genevieve Forgy. Part of the property is zoned R-1 and part R-3. The owner is asking that a variance be granted providing for use of the R-1 for the multiple housing conditions only of an R-3 zone.

Judge John Mead Attends Dinner for Pasadena Court Clerk

Judge John C. Mead of Sierra Madre, former judge in the local City court and in the Pasadena and Los Angeles Municipal courts, was among those attending a testimonial dinner last Thursday night honoring Dorothea Cregier, retiring after many years as clerk of the Pasadena Municipal court.

She is being succeeded by Wylma White.

'S Matter, McGee?

Ben McGee, 271 Mariposa, had a few bad moments last Saturday and thought for sure his forwarding address for the next year was going to be the County jail.

Fresh in his mind were pieces he'd been reading in the NEWS about fire prevention and also about stiff penalties that can be imposed for turning in false alarms.

Seems McGee had a little burning to do around his place and he 'phoned the fire department for a permit. Fire Chief Jim Heasley told him he'd "be right over."

As he walked away from the telephone McGee was plenty surprised to hear the fire whistle blow the signal for his area. And his apprehension mounted as he heard the sirens screaming, growing louder as they approached his street.

Wondering just WHAT he had innocently wrought, McGee nervously himself to go out and face the firemen... but stood ignored in front of his house as the fire-fighters piled off their trucks and dashed across the street to put out a fire in a burning car, heretofore unnoticed by McGee!

Labor Day — 1953

The first Monday in September is not merely a day for picnicking, or for Labor union parades or for speeches by politicians and labor leaders.

It's more than that, or, at least, it should be. It should be an occasion for both the public and the members of organized labor to weigh the performance of labor in the 12 months past. So often, the whole emphasis is on what labor has gained. It is important, of course, for labor to make gains, to obtain better pay, where justified, and better working conditions. But such gains are not, or should not be, the whole purpose or aim of

labor unions.

Labor has a responsibility to the public. That responsibility is to respect the public welfare, comfort and convenience in connection with every demand on management that may lead to a strike. To be sure, management has an equal responsibility to the people.

In some instances, as in the five-week-old bus strike in Oakland, both labor and management seem utterly contemptuous of the public. Things like this make people angry and give the cause of labor a sharp setback. Fortunately, most labor leaders find it quite possible to gain benefits for the workers they represent without calling for costly walkouts. Strong labor unions are essential to America, but they will be strong only as they are wisely led. And in some instances the need is for much wiser leaders.

Auto Accident, Chicken Pox Fail to Daunt Morris Family on Long Trip

The Earl C. Morris family of 44 W. Carter encountered just about everything on their recent five-month business and pleasure trip east. They took in their usual stride an automobile accident and a chicken-pox siege.

The family party included Mr. and Mrs. Morris and their five children, Karen, Douglas, Lynn and the twins, Charles and Christine, ranging in age from 12 years to barely two. Mr. Morris was sent to Marietta, Ga., on a three-month business project but their arrival was delayed a week because of an automobile accident in which they were involved in Mobile, Ala. About that same time the three younger children, Lynn and the twins, "came down" with chicken-pox.

Before the accident the Morris had stopped in Galveston, Tex., and New Orleans, among other cities. After arriving at their destination the family

made side trips to Daytona Beach, Fla., Gatlinburg in the Smoky Mountains, and the TVA project along the Tennessee river in the Cumberland Mountains.

As they headed homeward the Morris visited historic Williamsburg, Va., Washington, D.C., Niagara Falls, N.Y., and parts of Canada. From North Bay, Canada, the travelers crossed Sault Ste. Marie and went on to Ansley, Neb., where they visited Mr. Morris' parents, Mr. and Mrs. E. O. Morris. They proceeded to cross the United States by the northern route and spent several days in San Francisco.

Correction of
High Blood Pressure

A fresh start on this subject is necessary to brush aside vast stores of material which only intensify the confusion on this important ailment. In order to begin where we should, let us quote briefly from Grey's Textbook of Anatomy. "The carotid, sinus, a slight dilatation, length, of the internal carotid artery at its origin from the common carotid, is an important organ for the regulation of systemic blood-pressure. Special nervous end-organs in its modified wall respond to increase and to decrease in blood-pressure and through a reflex are probably via the carotid branch of the glossopharyngeal nerve convey stimuli to the medulla (brain)."

In everyday terms this means that a pipe carrying fluid at a constant pressure has to have a gauge which connects with a pressure control mechanism. If the gauge becomes unresponsive so that an actual pressure of 100mm. is required to show a pressure of 150mm., then the control mechanism is thrown off so that it regulates at 50mm. higher than it should.

What is the answer when this happens? Correct the gauge so it shows true pressure and the control mechanism is able to operate correctly. In terms of blood-pressure, according to Grey, the little gauge found at a precise point in the artery of the neck must be re-sensitized so that it gives the true moment by moment blood pressure in the arteries. From this information, a technique has been developed to correct this type of blood-pressure problem. It is profoundly simple and effective in a very high percentage of cases including fairly advanced hardening of the arteries.

Any approach to control of high blood-pressure which fails to take into account the facts related above falls far short in correlation with the most basic facts known on the subject today. Anyone suffering with high blood-pressure who has not been given the advantages of this knowledge has received very little indeed for what they have spent for professional care. Every person with high blood-pressure should find out for themselves what this method can mean to them.

Bethany to Sponsor Film Showing in School Sept. 10th

Rev. Billy Graham, nationally known evangelist and producer of the world's first Christian western film "Mr. TEXAS," has just completed another religious film, "Oil Town U.S.A.," to be presented here in a premiere showing on Thursday, Sept. 10, in the Sierra Madre School Auditorium.

Dr. Robert N. Schaper, pastor of Bethany Church, in charge of local arrangements for the showing, announced that the picture will begin at 7:30 p.m. with the doors of the auditorium opened at 6:30 p.m.

Graham's new film features the evangelist and members of his team in their city-wide evangelistic crusade in Houston, Texas, last summer. Highlighting the film are scenes from the meeting in Rice Stadium where 60,000 gathered to hear Graham for the largest evangelistic meeting in American history.

Featured in the film are professional Hollywood players who have become Christians themselves, including Colleen Townsend Evans, Georgia Lee, Paul Power, Robert Clarke, and

the stars of "Mr. TEXAS," Redd Harper and Cindy Walker. "Oil Town U.S.A." is in natural color and is approximately ninety minutes in length.

Dr. Schaper pointed out that there is no charge for admission, and that the 600 seats of Sierra Madre School auditorium will be on a "first come" basis.

GARDEN NOTEBOOK

Plant Spring Bulbs Now

The riot of color which winter gardens become when spring bulbs blossom out is always a wonderful and welcome sight. These gay harbingers of spring should be planted in September and October, so that they may develop roots during their winter dormancy period.

Spring bulbs range from the graceful tulip in shades of red, blue, yellow, white; narcissus (daffodils) with various sized trumpets in bright yellow and white; dainty—but sturdy—single and double hyacinths in various shades; dusky anemones, crocuses and many others.

Have Many Uses

Such early blooming bulbous plants are ideal for border or container planting to beautify your lawn, patio or porch. Bulbs such as the tulip, hyacinth and daffodil begin their two month blooming cycle as early as March 15—well in time to decorate your garden for Easter or spring entertaining.

In areas where freezing are encountered, September planting is essential to allow time for roots to develop. As alternate freezing and thawing may dislodge bulb roots, it is best to apply a mulch of straw several days after the freezing occurs. The mulch should be removed as soon as the bulb breaks through the ground in spring.

How to Plant

Although planting requirements differ slightly, generally it is safe to plant in a mixture of sand, cow manure (or bone meal) and friable loam and in a sunny location. Bulbs will not develop in the shade. Also, they must be kept moist to encourage root development.

Set them down 4-6 inches from the neck of the bulb, or three times their own height, with the bottom resting on sandy loam. It is always preferable when planting to thoroughly trench the bed immediately preceding the operation so that the bulb can establish itself easily.

Nurserymen caution gardeners to avoid the possibility of air holes around bulbs by thoroughly packing the ground above them. Water each bulb separately, then the entire bed when you complete planting. A sturdy trowel or one of the bulb planters, which remove sod and soil like a cookie cutter, are excellent planting tools. The bed should be well drained as bulbous plants, though attracted to moisture, will rot in soggy ground after they bloom.

Group with Others

It is always best to square and layout your planting bed if you plan a solid bed of tulips or daffodils. Most bulbous plants are more effective, however, if they are grouped with other spring flowering annuals such as candytuff, pansies or phlox. Bulbs such as daffodils should be planted about seven or eight inches apart—as they multiply. They may be left in the ground for three or four seasons, or until they appear crowded. Tulips and hyacinths, however, should be lifted and stored every year, as they weaken with each successive year in the ground.

Tulips and hyacinths, which are planted in containers and raised inside, can be forced to bloom early. Early single tulips have been forced to bloom in January, coming out in brilliant vermilion, scarlet, rose buff, yellow and purple.

Mrs. Mitchell Enroute to Post in Tokyo

Farewell Services Held at Bethany

A farewell service was held in Bethany Church on Sunday night, Aug. 30, for Mr. and Mrs. Tom Mitchell. Mrs. Mitchell left by steamship for Tokyo on Monday, Aug. 31, and her husband will be joining her in that city in a few weeks.

Mr. and Mrs. Mitchell have been serving previously in Japan as missionaries under the sponsorship of Bethany Church and have been in America on furlough for the past several months. Mrs. Mitchell will be teaching in a school for missionaries' children and Mr. Mitchell will be working among Japanese University students.

The service at the church featured brief messages from both Mr. and Mrs. Mitchell, the singing of their favorite hymn by Mrs. Raeburn Woodson, and the prayer of commission which was offered by Dr. Robert Schaper, pastor of Bethany Church.

In response to a special appeal for the need of the Mitchell family for housing in Japan, the congregation gave over \$1200 and pledged an additional amount to provide facilities for this missionary family.

LUMBER FLEXIBILITY

We carry lumber stocks in 20 different communities in Southern California.

This constitutes a substantial guarantee of service, because items which one yard may lack, temporarily, can be drawn from another.

For instance, our Van Nuys yard suffered a devastating fire late one afternoon, yet made deliveries without delay to customers the next morning.

Expect Enrollment of 725 This Year at City Elementary School

Along with 37 million other school children across the nation, approximately 725 Sierra Madre youngsters will be returning to or attending for the first time classes at the City Elementary school. A peak enrollment of 745 is expected as the school year progresses.

Classes will begin at 9 a.m., Sept. 16.

Enrollment for all kindergarten and new pupils is in progress now and will continue on weekdays through Sept. 15 with the exception of Labor Day, 7, and Admission Day, Sept. 9, according to Miss Betty Newton, acting principal in the absence of Supt. Charles A. Skutt.

Must Establish Ages

Children entering kindergarten or first grade must have birth certificates with them at registration to establish their ages.

Two familiar faces will be missing from the teaching staff, those of Mrs. Ruth T. Gardner who has retired after many years in the local school, and Mrs. Margaret Culbertson who resigned mid-year last year.

The staff has been augmented by two additional teachers and altogether there are five new teachers, making a staff total of 26.

The newcomers include:

MRS. LOTUS VEEDER who holds degrees from Cornell College in Iowa and DePaul University in Illinois and has had extensive experience in Illinois and in Los Angeles and La Canada. She has training and experience in art and music and will be the fourth grade teacher.

MISS COLLEEN FITZGERALD who was graduated in February, 1953, from UCLA with the Bachelor's degree. She specialized in kindergarten and primary teaching and will teach

first grade at the City school. She attended Muir Junior College in Pasadena before going on to UCLA.

MISS MARJORIE CARR who has the B.S. degree from Bridgewater State Teacher's College in Massachusetts and has taught second grade for the past two years in Braintree, Mass. She also has had experience and training in teaching girls' physical education on the upper grade levels and will be sixth grade teacher in the City school.

MRS. MYRTLE HEASLEY, who has been on the local school's substitute list for several years, will be on the staff full time this year. She received her training at Kearney State Teachers' College in Nebraska and later studied at UCLA. She has taught in Nebraska and Arizona and in Pasadena and will be one of four second grade teachers here.

MRS. MARJORIE RANSOM has the A.B. degree from USC and has taught in the Oregon public schools. She has a background of music, both vocal and instrumental and will be one of the new fourth grade teachers in the City Elementary school.

Back to School Advice Given By Gilbert

ROY O. GILBERT, M.D.
Los Angeles County Health Officer

Starting to school is an important event in the life of a small child and whether or not it will prove to be a happy one depends, to a large extent, on the child's parents. Other things being equal, a healthy child has a better chance of being happy and successful in school than one who is sickly and it is the responsibility of his parents to see that he gets the right send-off.

School days bring with them the greater possibility of exposure to disease. The youngster who starts to school for the first time meets many new children and, because of this, it is wise to make sure that he is protected against the more serious common contagious diseases of childhood. Booster doses of diphtheria and tetanus toxoid are therefore recommended along with revaccination against smallpox if the doctor thinks it advisable.

"Whooping" Danger Past
It is not usually considered necessary to give further protection against whooping cough at this time because the age of greatest danger has already passed. Deaths from whooping cough rarely occur in children over five, while in tetanus half the deaths from this disease occur in children under 15 years of age.

No child should be allowed to start school with a handicap that can be corrected. The doctor should be permitted to discover poor eyesight so that the child's inability to see the blackboard will not retard his learning process and label him a dullard. If a hearing defect has developed, it may be possible to correct it and prevent progressive hearing loss. And if dental care is needed, it is better to have it done before school opens and thus prevent any needless absence.

Many little things can add to the child's feeling of security as he begins his school life. Familiarity with the route he must take to school, particular instruction in the crossing of streets, and a visit to the school

CHARLES A. SKUTTS SAIL ON WORLD TOUR

City School Supt. Charles A. Skutt and Mrs. Skutt, 111 N. Hermosa, left Sierra Madre during the weekend for Seattle from which city they sailed aboard the S. S. Topa-Topa for the first portion of an around-the-world tour.

The Skutts, who were feted Aug. 22 at a bon voyage party in the Howell N. White home, were to have sailed Sept. 5 from San Francisco but a change in their travel arrangements forced them to advance their departure date. Their first stop will be Yokohama, Japan, and from there their two-month tour itinerary will take them to many countries including the Holy Land. They will return to Sierra Madre in mid-November.

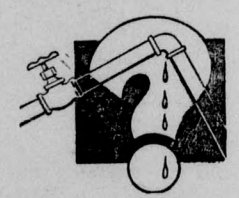

may do much to lessen the feeling of strangeness surrounding the experience. If the child is taken to school by bus, or uses public transportation, a little coaching is in order so that he will know just what to do. These, among other little acts of consideration, will help him to help himself.

Breakfast Important

A good breakfast, leisurely eaten, is an excellent beginning for a school day. And, until the mid-teen age is reached, children should have at least 10 hours of sleep each night.

Most children take to this new life like ducks to water and delight in this newly found independence. It is up to parents, and others concerned in their welfare, to make sure they are in good physical condition when starting to school and provide the environment and care that will keep them both healthy and happy. A publication of the Children's Bureau, "Your Child from 6 to 12," will be mailed to anyone who sends a card of request to the Los Angeles County Health Department, 241 N. Figueroa St., Los Angeles 12.

Adlers Enjoy Double Celebration Party

Mr. and Mrs. Robert J. Adler, 3630 Shadow Grove Rd., recently celebrated their eleventh wedding anniversary with dinner at Gourmet's in Hollywood. This was a double celebration for them as just four years ago, on their seventh wedding anniversary, the Adlers moved into their new Ranch home. "Maybe it was a few years late for the ceremony, but Mr. Adler carried me across the threshold as we entered our new home that day," Mrs. Adler laughingly remarks.

New Ranch Residents

Mr. and Mrs. George A. Schlueter, 1235 Tropical, and their son, Gregory, 8½, are new neighbors in the Ranch. The Schlueter family are originally from Oakland, Calif., but spent a year in Hollywood before moving to our area.

SEFTONS VACATION IN NORTHERN CALIFORNIA

Mr. and Mrs. Wayne E. Sefton have returned to their home at 3645 Shadow Grove Rd. from a two-week vacation at Richardson Grove in the redwoods in northern California. They also enjoyed deep-sea fishing along the coast in that part of the state.

While the Sefton family were away, Mr. Sefton's mother, Mrs. Anna Sefton, of Phoenix, Ariz., stayed at their home in the Ranch. She has been spending the past six weeks here and plans to return to her Arizona home this week. "It has been a wonderful stay away from the warmer temperatures of Arizona," she reports.

Fourth Birthday Party

Stephen Kelley, son of Mr. and Mrs. Paul F. Kelley, 1220 Coronet, celebrated his fourth birthday last week at a luncheon party. Those small guests enjoying the food and movies that followed were Candy, Steve and Mike Cline, Kip Christian, Margaret Ann Fahey, Karen Bradford, Linda Larson and Glen Knickrehm.

Mrs. Kenneth Simpson Honored at Luncheon

Mrs. Merritt J. Thompson, 1059 Cynthia, recently entertained at a farewell luncheon in honor of Mrs. Kenneth C. Simpson, 3780 Fairmeade. The Simpsons are moving to Missouri to take up residency on their farm.

Those taking part in the festivities were members of the Gamma Circle, of which Mrs. Simpson was chairman and Mrs. Thompson, co-chairman, of the Trinity Presbyterian church.

In conjunction with the social time, plans were made for supporting the Fall Fashion Show scheduled for Saturday, Sept. 26, at the home of Mr. and Mrs. Billings Ruddock, 284 Arbolada, Arcadia, and sponsored by the Trinity Guild of the Trinity Presbyterian church.

Among those enjoying the good time and taking books of tickets for the Fashion Show were Mrs. Robert C. Brumfield, Mrs. Charles Day, Mrs. Draper Jennings, Jr., Mrs. Frederick I. French, Mrs. Leroy A. Thompson, Mrs. Ogden Boden, Mrs. John E. Osborn, Mrs. Wayne Barnes, Mrs. Russell J. Stubbs, Mrs. R. L. Pooler, Mrs. Norman Buckle and Mrs. Ward Clark.

MEMBERS OF THE SIERRA MADRE VFW auxiliary have presented Cub Scout Pack 11 of East Pasadena with their American flags. The larger flag will be used in conjunction with the Pack meetings and the smaller ones will be used in the dens. Pictured left to right, at the presentation are: Mrs. Linda Perry, president of the auxiliary; Jack Valentine, Cub Scout committee chairman; Ralph J. McKeenan, Cubmaster, and Mrs. Carmel Johnson, conductress of the auxiliary.

Death of Price Boy Saddens Ranch Pals

Many of last year's third grade students at Eugene Field school, as well as their parents, were shocked recently by word of the accident which took the life of John B. Price, Jr., son of Mr. and Mrs. John B. Price, 3425 E. Orange Grove ave.

The Pasadena boy was killed when he fell 35 feet from a tree near a Fawnskin summer camp in Big Bear Valley where his father, a Los Angeles school teacher, was a counselor.

He is survived by a twin sister, Catherine, also a student at Field school, and another sister, Janet, 5, who will enter kindergarten in the fall, in addition to his parents.

Services were held Tuesday, Aug. 25, at the Church of the Flowers, Forest Lawn cemetery.

Templars and Shriners Vacation at Newport

Two Tropical avenue families, Mr. and Mrs. Gordon S. Templar, 1220 Tropical, and their daughter, Gail, and Mr. and Mrs. William K. Shiner, 1200 Tropical, and their children, Chipper, Wendy and Jimmy, have spent the past two weeks at Newport Beach.

One day was spent visiting the zoo at San Diego and the adult members were able to attend one of the performances in the Little Theater at La Jolla.

Ranchettes

Mr. and Mrs. Loyd E. Shier welcomed a new member to their family on Aug. 16 when their daughter, Catherine Jeanette, arrived at the St. Luke hospital. The young lady weighed 8 pounds, ½ ounce. She has a brother, Billy, and sisters, Patty and Sally, who are very proud of her.

Warren Gram's Passing Mourned By Neighbors

Friends and neighbors on Cliff Dr. were saddened recently by the passing of Mr. Warren Gram, 410 Cliff Dr. A native of Portland, Ore., Mr. Gram had resided in Pasadena for the past four years.

He is survived by his wife, Mrs. Eloise M. Gram and two children, George Warren and Mildred Gail Gram; his father, Fred T. Gram of Arcadia; and one sister, Mrs. John H. Standish, of Sierra Madre.

Mr. Gram was general manager and co-owner of the Gram Forest Products company of Pasadena.

Dr. A. Myron Nichols, pastor of Pasadena Presbyterian church, officiated at the private funeral services at chapel of Glasser-Miller Mortuary, Arcadia.

Birthday Celebrated With Swimming Party

Rusty Pooler, son of Mr. and Mrs. R. L. Pooler, 3605 Greenhill Rd., celebrated his 8th birthday last Wednesday with a swimming party at his home. The swimming theme was carried out even in the decoration of the birthday cake which had a swimming pool, two miniature children standing on a diving board above it, a cabana, and trees and shrubs surrounding it—a beautiful piece of decorative art in icing.

Rusty's guests for the party were Diane Davis, Steven Stubbs, Sherri Anteau, Rod McClintock, Donald Peterson, Lynn Alfredo, Dennis Stiff, Greg Hyde, Dick Mohr and Bill Hogboom.

Johnny McIlvennen Marks Fourth Birthday

Mr. and Mrs. R. Stewart McIlvennen, 3835 Cartwright, honored their son, Johnny, on his fourth birthday with a picnic lunch in Victory Park. Those enjoying the food and games were Gloria Jean Graham, Jay Brady, Laury McCall, Linda Stine, Kirk Hayward, Beckie and Nancy Peterson, Stuart Horan, Maureen Maloney and Glenn Rohrer.

Arthur Youngs Fete Visiting Relatives

Mr. and Mrs. Arthur Young, 1225 Coronet, will be entertaining Mrs. Young's father and his wife, Mr. and Mrs. Lester W. Gorman, over the Labor Day weekend.

The Gormans are enroute to their home in San Francisco after a few months' trip through Europe. They were in England at the time of the coronation.

you pay just pennies per day

divide your electric bill by sixty...

IF YOU GIVE a moment's thought to the things electricity does for you in a full twenty-four hour day, you'll see quickly that you get a lot of service for just a few pennies. But you can find out how little that amount actually is by dividing your last Edison bill—or your next one—by sixty. Each Edison bill covers two months' service.

This simple little exercise in arithmetic demonstrates clearly that electricity is today's biggest bargain.

"GOODS OF THE WOODS"

Keeps its value better than any other car!

Used car dealers report that Fords return more of their original cost than any other car—and there are 41 reasons why:

Take POWER

Ford's two high-compression engines are real leaders in their class. Ford's the only car in the low-price field to offer you the smooth power of a V-8 engine. And no other car in any field has so modern a Six.

Take BUILD

Ford's Crestmark body gives you style-setting beauty with rugged "build" underneath. Where many cars are bolted Fords are welded hull-tight to keep out rust-causing weather and dirt.

Take VISIBILITY

Ford gives you the "all-around" view you need in today's fast-moving traffic. A curved one-piece windshield, car-wide rear window and large "picture windows" all around make sure you have full-circle visibility.

Take RIDE

Ford's wonderful, new ride reduces front end road shock up to 80%. And Ford's new spring and shock absorber action gives you the comfortable easy ride you want without gas-eating extra weight.

Take DRIVES

Only Ford in its field gives you a choice of a completely automatic drive, Fordomatic, the finest, most versatile automatic you can buy—fuel-saving Overdrive... or easy-shifting Conventional Drive.

Take SAVINGS

Ford's Automatic Power Pilot saves you money on every gallon of gas. It automatically adjusts carburetion, ignition and combustion to make every drop of gas ("regular") at that work its heart out.

The swing is to

Chapel of Roses Setting for Buckingham-Maltby Nuptials

Miss Jeanne Marie Maltby, daughter of Mr. and Mrs. C. Lauren Maltby, 120 Lowell, was married last Saturday evening to Joseph Thomas Buckingham, son of Mr. and Mrs. E. M. Buckingham of Oakland, Calif., in the Chapel of Roses, Pasadena.

The bride was attired in a full skirted embroidered organ-dy gown with off-the-shoulder short sleeves. The finger-tip bridal veil was attached to a small off-the-face bonnet of embroidered organ-dy. Butterfly orchids, lilies of the valley and stephanotis were used to fashion the bridal bouquet.

Attended by Sister

honor. Miss Robert Frantz and Miss Anne Fox, both of Pasadena, were the bridesmaids. The girls in the bridal party all were dressed in ice-blue nylon, full-skirted ballerina-length gowns and carried bouquets of yellow pom pom chrysanthemums.

The bride's brother-in-law, Robert Rogers, served the groom as best man. David Madden of Los Angeles and Frank de Saussure were the ushers.

Mother Wears Blue
The mother of the bride was gowned in an aqua blue cotton lace cocktail dress, studded with rhinestones and accented with white accessories. Her corsage was of pale pink gladioli.

The groom's mother chose a navy blue cotton lace ensemble for the occasion and wore a corsage of deep pink gladioli.

The Rev. Richard S. Ford of the First Methodist church in Pasadena read the marriage service. Miss Marilyn Gough, soloist, sang "Because," "The Lord's Prayer" and "On, Perfect Love," accompanied at the organ by Mrs. Ethel Woolley.

Among the guests from out of town were Mr. and Mrs. C. E. Gillis of San Rafael, aunt and uncle of the groom; Miss Florence Schultz of San Francisco and Miss Alice Lohrer of Chicago, aunts of the bride, and Mr. and Mrs. John Colman of Australia. The Colmans were Australia's representatives at the Coronation of Queen Elizabeth II.

The bride attended Sierra Madre Elementary school, Wilson Junior High school and Pasadena City college, and was graduated from the University of California, at Berkeley, last June. While at the northern university she was a resident of International House and affiliated with the Education Club.

The groom is also a graduate of the University of California and was affiliated with the Pi Tau Sigma and Tau Beta Pi engineering fraternities.

The newly married couple left for a honeymoon at Lake Tahoe following a reception held at the Chapel of Roses for 150 guests.

Included, left to right, are: Karen Kelley, Mrs. Black, Bobby Wortham, Katherine Wynne (standing), and Phillip Hansford. A total of 30 youngsters was registered during the summer and most of them were on hand Friday for the final day of the program, the awarding of certificates and serving of punch and cookies.

Jacques Hedblom Feted At Barbecue Supper

Mr. and Mrs. Andrew O. Hedblom, 336 Foothill Ave., entertained recently at a barbecue supper honoring their daughter, Jacques, on her third birthday.

Those arriving to share in the fun and festivities were Claudia Hellmann, Janet Bertencourt, Ronnie and Mary Elizabeth Fox, Janet Johnston, Ruth Ann Meyers, Donna Lee and David Pierce, Bobby Mead, Sandra Ohs and Linda Griffin.

Seven-Week Trip

Mr. and Mrs. Lloyd B. Welch, 50 Montecito, recently returned from a seven-week motor trip which took them to Sequoia, Lake Tahoe, the Jackson Hole country in Wyoming, Yellowstone and Glacier National Park.

On their return trip to Sierra Madre they met Mr. and Mrs. Lawrence T. McGinnis, 381 N. Mountain Trail, and Mr. and Mrs. William F. Maloney, 15 E. Alegria, and their son, Mike, at Lone Pine, Calif. The party packed in to the Cottonwood Golden Trout Camp and spent a week fishing.

Celebrate Wedding Anniversary

Mr. and Mrs. Rufus W. Mansur of 480 Foothill Ave. and Malibu celebrated their 32nd wedding anniversary August 29. A few intimate friends helped them share the occasion.

ORDINANCE NO. 534
AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE, FIXING THE AMOUNT OF MONEY NECESSARY TO BE RAISED BY TAXATION UPON THE TAXABLE PROPERTY THEREIN AS REVENUE TO CARRY ON THE VARIOUS DEPARTMENTS OF SAID CITY FOR THE CURRENT FISCAL YEAR 1953-1954 AND TO PAY THE BONDED AND OTHER INDEBTEDNESS THEREOF.

THE CITY COUNCIL OF THE CITY OF SIERRA MADRE, CALIFORNIA, DOES ORDAIN AS FOLLOWS:

SECTION 1. That the City Council of the City of Sierra Madre, State of California, does hereby fix the amount of money at the sum of One Hundred Nineteen Thousand Four Hundred and Sixty Dollars and Sixty Cents (\$19,416.60) necessary to be raised by taxation upon the taxable property in said City of Sierra Madre as revenue to carry on the various Departments of said City for the current fiscal year beginning July 1, 1953, and to pay for the bonded and other indebtedness of such municipal corporation for said fiscal year.

SECTION 2. The City Clerk shall certify to the adoption of this Ordinance and cause the same to be published once in the Sierra Madre News.

SECTION 3. This Ordinance, inasmuch as it provides for a tax levy for the usual current expenses of the City of Sierra Madre, under the provisions of Section 1 of Article IV of the Constitution, and Section 6937 of the Government Code of the State of California shall take effect immediately.

The foregoing Ordinance was adopted at a regular meeting of the City Council of said City of Sierra Madre, held on the 25th day of August, 1953, by the affirmative vote of at least three Councilmen, to wit:

AYES: Councilmen Louk, Roberts, Hawkins, James and Korsmeier.

NOES: None.

ABSENT: None.

HOT WATER HAPPY

Quick as a wink with GAS

Only automatic gas water heaters can give you hot water 3 TIMES FASTER...tankful after tankful!

Install the right-size gas water heater that carries a 10-year Warranty Plan

You're always hot water happy with gas because gas heats water three times faster than any other practical fuel.

But you must have an automatic gas water heater big enough for your family's needs if you want real convenience, real comfort. The chart below gives recommended sizes.

And for truly carefree service, an automatic gas water heater that carries a 10-year Warranty Plan is best. While all automatic gas water heaters look more or less alike, those with quality construction and longest life are backed up with a 10-year Warranty Plan. Insist on a 10-year Warranty Plan when you install a new automatic gas water heater.

COUTANTS CAMP, FISH ON BAJA PENINSULA

Mr. and Mrs. Stanley Coutant and son Stanley O., 666 E. Sierra Madre Blvd., spent several days last week camping and fishing on Baja Peninsula in Lower California, and have returned for a few days more of the same this week.

They broke their vacation mainly to return for more supplies, water and canned foods, for "roughing it" some more on the peninsula. The only fresh food they eat on the primitive peninsula is the fish they catch themselves, they say.

FIRE FLAMES

By JAMES HEASLEY

Even though fires are not fre-
quent in Sierra Madre the dan-
ger always exists, considering
the area in which we live and
the dry spells we have. So we
keep right on talking about fire
hazards. It may be boring to
some who glance over this col-
umn for some interest other
than fire.

This column is dedicated to
fire prevention and judging by
comments we believe to be
genuine, it DOES do some good.
We have no wish to use the
newspaper space ineffectually.
Once, years ago, when we ques-
tioned the value of the column
the response was favorable and
encouraging.

A wild goose chase to the
eastern and western ends of the
city last week after an alarm
only proved the call to be false.
Such calls can lead to serious
trouble and such pranks should
be treated accordingly. False
alarms may be the direct cause
of an accident to either the fol-
lowers of fire trucks, to the fire-
men or others. The cost of run-
ning the trucks from the station
alone is not small. The cost to
the volunteers who leave their
work, or even their homes, is
not to be ignored, either. The
anxiety alone is very annoying.
The question always arises as
to whether the correct address
was given. Not until long after
is there complete relaxation of
the firemen.

Fires start from heat—any-
one knows that—and those of
us who have lived here a few
years know that there will be
much dryness from now until
the rains come. This will not
be for quite awhile yet. We
ask those who may be just a
little skeptical, to take our
word for it and use all pains
to prevent fire. It does not pay
to take chances. If there is
some burning to do—call the
fire department and let them
take the responsibility if a per-
mit is issued.

The first patter of rain on the
roof is always a welcome song
to the members of the fire de-
partment. It means that soon,
green will appear to replace the
brown, dry weeds and grass and
that the soil beneath the moun-
tain brush will be saturated
with dampness.

Let 'er rain soon!
The lawyer is a gentleman
who rescues your estate from
your enemies, and keeps it to
himself.—Lord Broughman.

Scanning the Sports Scene

With BOB BROGGER

One of the most welcome
pieces of news that has ap-
peared on this sports desk to
date concerns a Sierra Madre
woman, who only a month ago
said that she would not be able
to make the trip to Camp Perry,
(Ohio) for the National Pistol
Championships. Then a couple
of weeks later, we learned that
she had decided to go, after all.
We predicted that she would
come home with some kind of a
record. Well, that she did! And
how! Now get this...

Mrs. John W. Culbertson, of
37 West Grandview, WON the
Women's National Pistol Cham-
pionships! In other words, she
is the best woman pistol shot
in the United States!

Man, oh man—that is really
something! We salute you,
Margaret Culbertson.

On Sept. 10-13 the sixth an-
nual National Hot Rod and Mo-
tor Sports Show will be held at
the National Guard Armory in
Exposition Park.

Hot Rods, Detroit "dream
cars," sports cars and home-
made do-it-yourself autos will
be combined in the spacious
Armory Hall.

One of the cars sure to come
in for a lot of attention is
owned by Bob Hirohata of Ar-
cadia and designed by George
Barris. It has a number of in-
novations including radar
which opens his garage door
when he is a block from home,
special frames for windows,
eliminating all posts, telephone
plug-in and special vents for
cooling rear tires and brakes.

The car has 31 coats of pis-
tachio-green colored paint. It
is fully equipped with push
buttons which do nearly every-
thing except look out for the
traffic officer!

According to Managing Di-
rector Robert M. Barsky, the
highlight of the show will be
the national debut of several
new cars.

If any of you boys (or girls)
have an unusual or spectacular
car and would be interested in
exhibiting it, just phone the
show office, BR. 2-1554. Prizes
will be given for the best cars,
and competition will be on a
handicapped basis so that the
amateur can match the Detroit
builder on even terms.

Dizzy Dean, commenting on
night games, "In my day a
ball player would have been
fined for keeping the hours he
has to keep now."

Ted Jenkins, former Yakima
(Wash.) infielder, when asked
which he preferred, night or
day baseball: "I like afternoon
ball best—there's more sun-
shine when the daytime is on."

P.S.—NICE going, Mrs. Cul-
bertson.

**DOORS REMOVED FROM
DISCARDED ICE-BOX**

With 11 children dead across
the nation in recent weeks from
suffocation in discarded ice
boxes, local police promptly in-
vestigated a report of such a
hazard at 14 W. Alegria, as a
possible violation of a state law
requiring that doors or locks
be removed.

Owners reported that the
doors of the refrigerator had
been removed.

Sports Car Club Plans Events for Weekend at Santa Barbara Airport

Local sports car enthusiasts
are looking forward to the First
Santa Barbara Road Race and
other events scheduled for Sept.
5 and 6 and associated events
over the Labor Day weekend.

The race will be run Satur-
day and Sunday over a 2.2 mile
all-paved course at the Santa
Barbara Municipal airport and
is being sponsored by the Cali-
fornia Sports Car Club. Gates
open at 11 a.m. In addition to
12 heat elimination races and
the 75-mile final, there will be
a ladies' competition, two mo-
torcycle races and a Formula 1
Grand Prix car event.

Other features of race week-
end will be a Victory banquet
Sunday night at the El Paseo
and on Labor Day a Concour
d'Elegance and a fashion show
at the Santa Barbara Biltmore.
Models will be wives of leading
sportsmen. The fashion show
and Concour d'Elegance is free
to the public.

Busy Bachelor: Postman Builds Plane Models

Tony Palethorpe
Officers at Fast
Team Racing Meets

Tony Palethorpe, 170 North
Adams, is a young local
bachelor who has no idle hours.
When he isn't walking his
route as a Los Angeles post-
man he builds gas engine pow-
ered airplane models, officiates
at fast team racing of model
planes and spends the rest of
the time talking about models
... planes, that is.

He is a member of the First
All Speed Team club of South-
ern California, otherwise known
as F.A.S.T., and the club will
meet at 8 p.m. Friday, Sept. 4,
in his home.

Plan Sept. 13 Meet

Plans will be gone over then
for a team racing contest
scheduled for the morning of
Sept. 13 at the Santa Anita race
track parking area in Arcadia.
Palethorpe, who has been
building plane models for 18
years, doesn't have one ready
at present to enter in that con-
test but will serve as an official.

Processing, which includes
the qualifying race, will start
at 9 a.m. on the 13th and the
first of the series of races will
begin at 11 a.m. Other meets
which F.A.S.T. has sponsored
at Santa Anita have attracted
as many as 20 contenders and
approximately 350 to 500 spec-
tators. There is no admission
charge.

Tells Rules, Objectives

Quoting from the club's
handbook, Palethorpe explains
the objectives of fast team
racing as follows:

It is the purpose of team rac-
ing to fly semi-scale realistic
airplanes in direct competition
through a series of heat races
leading to a feature race for
the most consistent racers of
the day. The governing rules
are set up to equalize airplanes
and engines while at the same
time giving the builder oppor-
tunity for experimentation with
new ideas.

Other team racing meets are
scheduled for Sept. 27, Oct. 11,
Nov. 8 and 22 and Dec. 13.

**Good Used Cars come
to Ford Dealers**
(and so should you)

What's happening is
that lots and lots of people want
new '53 Fords. So day after day
they keep turning in cars so good
as to make a Scotchman shudder!
(Some of these cars come close to
being as good as new!)

And would you believe it?
Most of these cars have had only one
owner—a careful owner (though not,
we admit, an old lady who never got
a speeding ticket!) Lots of these cars
are just one or two year old babies.
(Probably their owners were waiting
'til they could get a new Ford!)

Here are some examples:

1952 FORD V-8 Custom Fordor	\$1695
1952 FORD 6 Tudor Radio and Heater	\$1495
1950 FORD 8 Custom Fordor	\$1295
Overdrive—Radio & Heater—Many other extras	
1950 MERCURY 4-Door	\$1395
1946 FORD 8 Fordor	\$545

So the moral is:
If you want a good used car, come where
good used cars come. Come here.

AAUW to Hear Mrs. Younger At First Meet

Plans for what members expect to be a banner year were completed at a recent meeting of the president and committee chairmen of the Arcadia branch, American Ass'n of University Women. The meeting was held in the Arcadia home of the president, Mrs. Harold Sexsmith, with Mrs. Charles Crosby and Mrs. Edward Heiss, membership and program chairmen respectively, joining her in a review of plans for the active fall season.

Mrs. Heiss has planned the nine general monthly programs, the first of which, on Sept. 14, will feature a nationally known speaker, Mrs. Mildred Younger, California Republican leader, USC magna cum laude graduate and six times inter-collegiate debate champion.

Mrs. Younger's subject will be, "What Art Teaches Us About Ourselves."

The AAUW's membership program will be launched with five successive coffee hours honoring new members. Activities will be climaxed with the Spring Tea in April.

William P. Schroeders New Residents in City

Mr. and Mrs. William P. Schroeder, 460 E. Grandview, and their daughter, Vira, 18, are newcomers in Sierra Madre.

Prior to coming to our city the Schroeder family made their home in Cleveland, Ohio. They left the east last June and visited Mr. Schroeder's former home in Oakland, San Francisco and Mexico before coming to Southern California. Mr. Schroeder stated they had chosen Sierra Madre because it was the nicest place they had seen.

ARE YOU GETTING THE BEST?

When you're suffering from excess gastric acidity, you want the best relief... you want it fast... you want it prolonged. Rexall Bisma-Rex, the unique antacid with the famous four-way action is the answer. Bisma-Rex quickly neutralizes irritating acids; assists in the removal of gas; forms a soothing coating over the tender stomach membrane; relieves heartburn due to fermentation of food in the stomach. The large 16 oz. economy size costs you about 2¢ a dose. To carry with you in your purse or pocket get the handy Bisma-Rex Mates, or the Bisma-Rex roll of Mint-flavored or Chlorophyll tablets. You can get Bisma-Rex in any size at your Rexall Drug Store.

NEWS GREETINGS From page one

joined the NEWS staff as manager. Two years after his father's death in 1949, young Ward purchased the NEWS from his mother.

Both Mr. and Mrs. Ward are graduates of Duke University in Durham, N.C. Mr. Ward having also attended the University of Michigan. Between his sophomore and junior years in college he was manager for two years of the River Rouge (Mich.) Herald, a weekly newspaper.

Following her college career Mary Toms Ward was on the staff of the Duke University Press.

The Wards have four children, and reside at 209 West Highland. They plan to remain in Sierra Madre. Beyond the next few weeks, during which Mr. Ward will assist the new owners in the office, and a month's vacation after that, the Wards have made no definite plans for the future.

DANIEL DeBELLIS, above, grandson of R. E. Lomax, 634 W. Highland, is completing his AF basic airman indoctrination course at Lackland Air Force base, the "Gateway to the Air Force." Lackland, situated near San Antonio, Tex., is the world's largest air force base. DeBellis, who is 20 years of age, upon completion of his basic training, will be prepared for entrance into Air Force technical training and for assignment in specialized work.

Arcadia Corner ... By MARGE

Mr. and Mrs. Everett Watt, 1251 Oakwood Dr., recently returned from a holiday at Crestline to host a cocktail party before the Arcadia Golden Jubilee banquet.

Mr. and Mrs. Alvin B. Vollmer, 1709 N. Alta Oaks, recently spent a weekend at Catalina. They were guests of Mr. Gordon Maddock, Duarte, on his yacht. Mr. and Mrs. W. McCune of Monrovia and Mr. Ralph Densmore of San Francisco completed the party.

Dr. and Mrs. Frederick W. Wagner, Jr., 1807 Oak View Lane, have had rather a "large" blessed event. Their English Springer Spaniel, Drusilla, gave birth to nine puppies, eight males and one female. The nine new arrivals were sired by a Boghurst champion.

Mr. and Mrs. Richard Callaway, 894 Fallen Leaf Rd., and their children, Wayne, Myra Jane, Virginia Lee and Dixie, hosted Mrs. Callaway's brother-in-law and sister, Mr. and Mrs. Frank Bresson, of Arlington, Calif., for a weekend. Young Wayne recently spent a week working on his parents' ranch at Fallbrook, Calif.

Miss Gerry Wesson of Lawrenceville, Va., is visiting her aunt and uncle, Mr. and Mrs. Fred O. Carlson, 1835 Wilson. Mrs. Carlson recently made a trip to Lawrenceville to visit her mother, Mrs. S. P. Darden, and her family. When she returned to California, Gerry flew home with her for a visit.

Mr. and Mrs. Robert A. Bonnet, 2400 S. 6th Ave., recently returned from a six-week motor trip. The travelers visited friends in Butte, Great Falls and Billings, Mont., and then continued on to Lake Louise, Banff and Calgary, in Canada, before returning home.

Mr. and Mrs. J. S. Craig, 1756 El Vista Circle, recently returned from a five-day vacation at Big Bear Lake. Dr. and Mrs. Frederick Hershman of Los Angeles accompanied them on the holiday.

Mass Said at St. Rita's for J. J. Connelly

Dies Suddenly at
Home of His Niece

A requiem mass was said August 22 at St. Rita's church for John J. Connelly, age 75, who died suddenly Aug. 18 after suffering a heart attack in the home of his niece, Mrs. James Burke, 189 N. Canon. Interment was at Resurrection Cemetery.

A native of Scotland and former resident of Pasadena for seven years, the elderly man had been residing with Mr. and Mrs. Burke for the past seven months. At the time of his death the Burkes were vacationing at Crestline, and another niece, Mrs. William Saunders of Pasadena, was staying with her uncle.

Connelly suffered the fatal heart attack while alone in the locked bathroom of the home. Unable to reach her uncle, Mrs. Saunders summoned the police, and also Dr. George W. Groth whose patient Connelly had been for some time. Police Officer Truman Harte pried open the bathroom window and Dr. Groth pronounced Connelly dead.

Also surviving, in addition to the nieces, is a nephew, Edward de Graaff.

SUMMER STOCK SEASON ENDS SUNDAY NIGHT

Lights will go out Sunday night, Sept. 6, on the San Gabriel Valley's first summer-stock season with the final performance of "The Play's the Thing" at San Gabriel's Mission Playhouse.

Storkland

A baby, Leah Renee, was born to Mr. and Mrs. Norman Turner of Lomita, Calif., Aug. 13. The Turners resided in Sierra Madre for many years on Laurel and have two other daughters, Rebecca and Deborah. Mrs. Turner will be remembered as "Toddy" Turner.

Mr. and Mrs. Jack Butler, 180 E. Sierra Madre, are the parents of a new daughter, Rebecca Christine, born Aug. 29 at St. Luke Hospital and weighing 8 pounds 7 ounces. The Butlers have four other children, Joel 13, David 11, Jonathan 8, and Deborah 6. Mr. Butler has been a mail carrier for the post office for the past 22 years and is well known in Sierra Madre.

Kin of Early Sierra Madre Resident Becomes Bride in Las Vegas Elopement

Announcement has been made of the marriage Aug. 9 in Las Vegas of Marian I. Jones of Rivera, formerly of Sierra Madre, to John D. Vogel of Arcadia. The newlyweds are now making their home in Sierra Madre at 532 Audubon Way in the Canyon.

The former Miss Jones is the daughter of Mr. and Mrs. H. K. Shepardson of Rivera and is the great-granddaughter of the late Emile Deutsch, one of Sierra Madre's first residents. Her grandfather, the late William E. Deutsch, life-long Sierra Madrean, passed on in November, 1952, and her grandmother, Mrs. Deutsch, still resides at 27 W. Laurel.

Mr. Vogel is the son of Mr. and Mrs. Vern Vogel of Arcadia. He is presently employed in Azusa.

CATALINA VACATION

Mr. and Mrs. H. C. Riggins, 775 Calderwood Lane, spent two weeks recently at Catalina Island, where they enjoyed swimming, bathing, fishing and relaxing. Mr. Riggins' family owns a cabin cruiser which they keep in the harbor there, and the Riggins spent many exciting hours at the sport of deep-sea fishing. Their two daughters, Victoria and Doris, accompanied them on the Catalina.
